# The Barnes Group Foundation Scholarship Program

## Dear Barnes Aerospace Employee,

We are happy to announce that we are currently accepting applications for our Barnes Group Foundation Scholarship Program! The Barnes Group Foundation Scholarship Program is designed to assist the children of Barnes Aerospace employees who plan to pursue post-secondary education by enrolling in college or a technical vocational program. The program is open to all Barnes Aerospace worldwide employees, and scholarships will be awarded for graduate study as well as undergraduate.

In accordance with United States tax laws, we are limited to granting awards to only 25% of our eligible applicants. Remember, the more applicants we receive, the more scholarships we can grant, so please apply today! Even if you have previously applied and did not receive a scholarship, we encourage you to apply again, as you are still eligible to receive an award!

We invite you to review the guidelines found below and submit an application today!

International students are strongly encouraged to apply. Awards can be used for qualified education related expenses (tuition, fees, books, and required supplies/equipment).

Additionally, Scholarship America will select three to five (3-5) recipients who have a GPA of 2.5 – 3.0 as long as there are qualified applicants.
